

The Camping Equipment Co.

Tent Assembly Instructions , Model:Europa

- 1 Each pole type is numbered in the diagram: assemble the pole frame according to the picture instructions.

- 2 Put the rain fly over the frame starting at the roof and work downwards.

- 3 Stake down the rain fly along the bottom edges and the guy ropes.

- 4 Hook the inner tent to the steel poles inside the rain fly and stake down along the bottom edge of the inner tent.
